Parent or Guardian has read and understands the following two statements:

YOUR CHILD WILL BE INVOLVED WITH SUPERVISED PHYSICAL ACTIVITY and may run, jump, swing, and climb trees. If you do not want your child doing certain kinds of activities, please inform us in writing and we will ask your child to refrain from said activity.

YOUR CHILD MAY COME INTO CONTACT WITH OTHER LIVING CREATURES. Bee stings, tick bites, scratches from plants, and rashes as a result of contact with plants are possible. We will teach your child to identify plants like poison ivy, but they still might touch it! We will teach your child to check for ticks, but they still might get one imbedded.
